Building **trust.** Creating **value.**

Every business begins with an idea and the courage to turn it into reality. It creates value for those who build it and for the wider community as well. Investment, innovation and services generate employment, expertise and growth, which are fundamental elements of the Common Good.

Olimpia Cauzioni e Rischi Tecnologici supports businesses, professionals and institutions in carrying out their projects, offering specialist expertise in risk management and insurance solutions.

We operate in strict compliance with regulations and with the principles of legality, transparency and accountability, working exclusively with sound and reliable insurance companies. Protecting investments means contributing to the country's sustainable growth.

About Us

Founded in 2012, Olimpia Cauzioni is today a well-established player in its sector. Our journey has been marked by continuous evolution, significant achievements and steady growth.

In 2022, we welcomed VHV Allgemeine Versicherung AG as a 50% partner, alongside our Chief Executive Officer, Alessandro di Virgilio.

This partnership marked a turning point, expanding our opportunities and strengthening our position in the market.
Today, our name reflects our focus and our commitment to innovation.

We work with dedication and passion to provide our clients with innovative, high-quality solutions, always keeping their needs at the heart of everything we do.

> *"For over twenty years, we have placed our experience and expertise at the service of businesses, contributing every day to the growth of the Nation and the protection of the Common Good."*

Alessandro Di Virgilio
Chief Executive Officer

These results reflect the trust built over time and the strength of a journey founded on expertise, responsibility and consistency.

Our Partners

VHV Allgemeine Versicherung AG, strategic partner and 50% shareholder of Olimpia Cauzioni, is a fundamental element of our industrial project and of the company's growth path.

The partnership combines Olimpia's specialisation and know-how in the Italian market with the financial strength, experience and international reach of the VHV Group, creating a collaboration founded on high standards of expertise, quality and reliability.

It is an industrial alliance based on solidity, transparency and regulatory compliance, which strengthens Olimpia's ability to offer its clients guarantees backed by a sound and recognised international insurance partner.
